Experience

Al Dente Marketing - Founder, Lead Developer 2 Months

Designed, developed, and launched niche online directory platforms and lead-generation websites using React, Next.js, Node.js, and Supabase/MongoDB.

Managed full product cycles, backend logic, monetization (AdSense, affiliates), and ongoing optimization for live projects including Dentillo.com and Rockshowz.com.

Lyft - Driver 4 years

Picked up riders, maintained vehicles, drove safely and provided pleasant experiences for riders.

Moxie Pest Control - Field Expert, 2 years

Inspected properties for pest issues, applied safe and effective pest treatments and educated and advised customers on pest issues.

Dominoes - Delivery Driver, 2 years

Assisted in taking orders, making orders and customer service as well as completing deliveries.

Freelance Web Developer - 1 year

Built and maintained small business websites.

Pier 49 Pizza - Delivery Driver, 2 years

Delivered food, helped with inventory and serving.
